50X1-HUM

1. Currently there are no active Cominform guerrilla units in Yugoslavia. Small groups exist of individuals who have taken to the woods or are hiding illegally. So far, these groups have carried out several acts of sabotage. Although it is possible that there is a large group of Cominformists hiding from the authorities, they have been inactive so far and are very likely either waiting for an opportune moment to go into action or for orders from the Cominform.

2. One thousand four hundred Cominformists have allegedly repented of their activities up to the present time and have transmitted a penitent resolution to Marshal Tito and the Central Committee of the Yugoslav Communist Party to this effect.
